Learning Series for 2018 recipients
Leadership within the Membership

• The Catalyst Fund is an award program to fund new ideas and innovative projects by LYRASIS members
• Applications are due February 20, 2020
• Recipients receive word in June and they have one year to complete their projects

If you are not already, become a LYRASIS member today! The C$F is only one benefit…

Proposals are for funding to pilot your own project. You have one year to complete your project.

Ideas recommend an issue, problem, service need or solution that LYRASIS could investigate, test, and address for the library, archive and/or museum fields.
