archival discounts

## Digital Transitions

The Digital Transitions Division of Cultural Heritage provides end to end scanning solutions to support the programmatic digitization efforts of Libraries, Museums, Archives, Private Collections, Service Bureaus and other institutions. Their three decades of combined experience in designing digitization systems comes from executing preservation and commercial imaging programs. This vast and diverse experience gives them first-hand knowledge of the stringent requirements and concerns cultural institutes face when digitizing large and varied collections. LYRASIS members receive a 10% discount on all Digital Transitions camera solutions.

## George Blood

LYRASIS members receive a 10% discount for all George Blood Services. Any LYRASIS members interested in working with George Blood should contact their member outreach representative for more information.

## Hollinger Metal Edge

Hollinger Metal Edge, Inc. began in 1945 as a collaboration with the Library of Congress and the National Archives to create high quality archival enclosures. Hollinger Metal Edge, Inc. specializes in the creation of archival containers in all shapes and sizes, and carries a large assortment of conservation tools and equipment. LYRASIS members are eligible for discounts on archival supplies every day when ordering directly from Hollinger Metal Edge, Inc.

## Master Enterprises, Inc.

Master Enterprises, Inc. (MEI) performs a variety of data capture and editing services that make digital documents more usable and searchable. Their services include:
